The USA Volleyball Incident Report form should be completed in its entirety and emailed, mailed or faxed within 48 hours to the Regional Volleyball office who will provide a signed copy to American Specialty. In addition, any claim involving serious bodily injury, death or property damage should be sent immediately to the Regional Volleyball office and to American Specialty. American Specialty will notify ESIX of the claim. These reports must be submitted **as the incidents occur**. See the Directory on page 3 for contact information.

If the appropriate USA Volleyball Incident Report is not available, the following minimum information should be documented and forwarded to the Regional Volleyball office as quickly as possible. Upon receipt of this information the Regional Volleyball office will forward a blank incident report to be completed and returned promptly.

1. Property damage in excess of $10,000.
2. The receipt of any document/notice of third party liability such as a LAWSUIT or SUMMONS.

All other incidents or claims should be reported within 48 hours.

C. HANDLING OF INCIDENT REPORTS

Club Directors, Coaches, USAV Representatives shall be required to submit incident reports on ALL INCIDENTS that occur that give rise to bodily injury or property damage losses.

Incident Report forms & related correspondence should be submitted to the appropriate party as follows:

Incident report forms should be submitted to the Regional Volleyball office who in turn will remit the form to American Specialty. Medical claim forms should be submitted directly to American Specialty.

When the claim forms have been submitted to American Specialty, they will process the General Liability claims as appropriate.

a) If American Specialty feels that a liability claim DOES exist, they;

1) Will do preliminary investigation and will establish a claim reserve, if appropriate.

2) Will take all necessary steps if an actual claim is received.

3) May recommend to USA Volleyball an attorney assignment in the jurisdiction in which the incident occurred.

b) If American Specialty determines that a liability exposure DOES NOT exist:

1) The Claims Representative for American Specialty will log the incident as received and no further action will be taken unless a subsequent claim is filed.

D. INVESTIGATING AND SETTLING OF CLAIMS

American Specialty reserves the right to handle the adjustment of the claim. USA Volleyball and ESIX agree to provide American Specialty with all information which relates to the incident and, when requested, will assist American Specialty in the settlement of the claim.

*****IMPORTANT*****

BEHIND THE "CLAIM REPORTING PROCEDURES" YOU WILL FIND AN INCIDENT REPORT AND A MEDICAL CLAIM FORM.

The Incident Report needs to be completed **each** and **every** time a "bodily injury" or "property damage" loss occurs to a spectator, participant or to the facility itself. Each Tournament Director, Club Director or Coach should be given a supply of these Incident Reports and the forms should travel with them to each practice or event. The Directors and Coaches need to be advised of the importance of completing these reports on behalf of USA Volleyball whenever a bodily injury or property damage incident occurs. The Incident Report will enable USA Volleyball to curtail or prevent fraudulent claims from being paid unnecessarily by matching an Incident Report to each claim for damages submitted. If an Incident Report cannot be matched to a claim, the claims representative will know to more thoroughly investigate the claim to determine if the loss really did arise out of a USA Volleyball event. The ability of USA Volleyball to minimize fraudulent claims will result in retaining the lowest insurance costs possible.

The Medical Claim Form should be provided to a participant who sustains an injury while practicing for or participating in an approved or sanctioned event. Tournament Directors, Club Directors or coaches should keep a supply of these forms on hand at each practice or event. The Medical Claim Form is to be completed by the injured participant and sent directly to **American Specialty.**

If the claims system works as intended, American Specialty will be in receipt of both an Incident Report from the appropriate Regional Volleyball office describing the incident causing injury and a Medical Claim Form from the injured Participant requesting reimbursement for the medical claim. When they receive both the Incident Report Form and the Medical Claim Form for the same incident, they know there is validity in the claim.
