Here is the link for the Tournament Drop Request Form:

[Tournament Drop Request Form](#)

As much as we would like all tournaments to fill sometimes it doesn't happen. Tournament Directors can change their format from what they initially listed so they can still run the tournament. For example, a tournament wants two pools of four teams but only gets five entries and changes the format to a five team round robin. This is allowed so the tournament can proceed. You are not entitled to a refund for these changes. You can drop the tournament and find another one if you desire, but it will be up to the tournament director if they will refund the money. You are only entitled to a refund if the tournament has been cancelled.

Any issues, STOP, and contact us. Multiple entries will result in multiple charges on your bill. Processing fee will not be refunded.
