2. All offers verbal or written are valid through the commitment dates and clubs may not request an earlier date of acceptance. Players may sign early/any time.
3. Once a Player selects a club either with a commitment letter or by selecting a club they are frozen to that club for the season.
 - *If there is an error during the club selection during the registration process, the region office must be contacted. The office will verify with the club that no commitment letter has been signed.*
4. Make sure you are the correct age/grade for the team.
 - *Club directors do not ask for a player to be placed incorrectly. Ex: a 17 year old junior to be on a sophomore team. They do not meet age or grade. The team must be registered at the older division.*
