

IOWA HP TRYOUT RESULTS

HP Athletes-

I wanted to take a second and write a note as we post the tryout results. We had just under 400 athletes tryout for the camp and can tell you that we have gone over lists again and again, re-evaluated reports and spent multiple long nights to get to our invite list here. To those who did not make it, it's ok. This was a long, exhaustive process. The decisions made sometimes came down to space issues and looking at the HP game and differences between club and HS rules and adaptations. We always say, "fall down seven times but get up eight". Do not get too discouraged. It is ok to not make a goal but not ok to quit trying. Keep improving, keep striving and keep moving forward. To those athletes who did make it, please make sure to follow instructions as stated and confirm as soon as possible. **DO NOT** let finances be an issue. If you need to talk to anyone about it, please talk to either Molly or myself to make it work!

Lastly, I wanted to take a minute and thank our HP staff and Region staff. The countless hours and work that go in behind the scenes are often not seen but this program would not be at its national prominence if not for their tireless effort. Molly Steffens, our HP coordinator, who handles all the registration and rentals and other things many never see. Brett Myres, our new Region Commissioner that is fully behind HP. Carol Anderson for always being able to find and fix registration issues. Lynne Updegraff, our retired commissioner who 14 years ago believed in our process enough to start Iowa down this path. It's because of these people and **MANY** more volunteers that this program is what it is.
